A Metaphored Love Story

When Mary sang, she transformed into a (n) Noun . Her voice Verb - Past Tense from her lungs. The moment John saw her, he was stunned. His heart started Verb - Present ends in ING inside his chest. His lungs pressed against the weight of a (n) Noun whenever he thought of her.

Unfortunately, John was a mathematician, so he had no idea how to win over the girl of his dreams. However, he did know how to juggle. He tried to juggle when Mary was around so he could capture the Animal of her mind, but Mary was always distracted.

" I'm tired of this screamed John. She looks at me and she sees a Noun . I have to be great at writing instead So John spent hours and hours writing. However, when he tried writing for Mary, she simply ignored him.

John's heart was Adjective . It took him months, but he eventually decided he would move on. Then, years later, while he was relaxing in a park, Mary saw him and stopped very suddenly. Seeing him had made her lungs Verb - Base Form and her mind turn into Noun . Weren't you that man who would always juggle and who was so great at writing she asked.

John smiled because he knew that she had finally seen him. And in that moment, John learned that love truly is a Noun .
